

FY 2016 1st Half Utility Bills

The FY 2016 Utility Bills have been delayed in getting to homeowners in several precincts. The bills' due dates have been extended to reflect the delay.

Your utility bill is twofold. Part one is base charges for water, trash and sewer (if applicable.) The base charges are for a six month period. They are for July through December of 2015. The second part of your bill represents your actual usage and the reading for that is on the top part of your bill. The reading of the meters was only slightly delayed even though the actual bills are later than expected.

If you have any questions at all regarding your utility bill, please call us at 781-834-5589 and we will be happy to answer your questions.
